

Veterinary Referral & Authorization for Animal Chiropractic

Pet Owner Information

I, _____ (Pet Owner/Caretaker), request authorization for animal chiropractic and related supportive therapy services for the following patient(s):

Pet Name(s): 1. _____ 2. _____ 3. _____ 4. _____

I understand that animal chiropractic/musculoskeletal manipulation is considered an alternate therapy under Texas veterinary regulations. I request that these services be provided through Dallas Animal Chiropractic LLC. Supportive modalities, including cold laser therapy, may be used when appropriate.

Signature: _____ Date: _____ Phone: _____

Referring Veterinarian Information

I, _____, DVM, certify that I have an established veterinarian-client-patient relationship with the patient(s) listed above and have examined the patient(s).

I authorize the patient(s) listed above to receive animal chiropractic/musculoskeletal manipulation and related supportive therapy services through Dallas Animal Chiropractic LLC.
